FROM THE PASTOR'S DESK

Dear brothers and sisters,
 Think twice before you act or take a decision. Action without thinking may create a lot of troubles and failures. Just remember your past, have you had failures and now you think, if you had waited for a while, the outcome could have been different? I would like to draw your attention to Joseph, the stepfather of Jesus our Lord. He had doubts about the birth of Jesus. Before he and his wife Mary lived together, she was found with child through the Holy Spirit. How did he respond? The **MALAKHA** or Angel, came to Joseph and said, "Joseph, son of David, do not be afraid to take Mary your wife, into your home, for it is through the Holy Spirit that this child has been conceived in her. She will bear a son, and you are to name him Jesus, because he will save his people from their sins" Mt 1:20-21

After listening to this message from the **MALAKHA**, think how Joseph changed his life. This will happen in our life. See how the **MALAKHA** requested, "You are to name him Jesus". If you go with the will of God, you will become an instrument of God. God will ask you to do something for his glory. Joseph waited and he followed the dream that God revealed to him which was the truth. So, let us wait before making every decision. God will guide you on the right path. Think twice before you act.

May God bless you abundantly!
Fr. Saji Pinarkayil
