FROM THE PASTOR'S DESK

Dear brothers and sisters,

New Year Resolutions
FAIL (First Attempt In Learning)

New beginnings are always difficult, however once it begins with confidence then it will go smoothly and produce fruits or good results. Confidence is the main requirement for good results. So how do we get this confidence? It is through hard work and support from our friends and family. Error is human but forgiveness is divine. Are we ready to forgive the errors committed by humans? In order to get confidence we have to keep in mind the word **FAIL** (First Attempt in Learning) developed by our former Indian president **Dr. A P J Abdul Kalam**. Let's think about our earlier days. How did we start to walk? Many times we fell and our mom or dad said, its okay, just stand back up we will help you to walk. Through their help we walked and became what we are now. We got the confidence through their support and appreciation.

Many of us think that we are not capable to do certain tasks. We are afraid to fail. Avoid this thinking, no human in this world is perfect. It is through mistakes and failed attempts we become better. So when we start a new beginning, if it fails, we should consider that it was our first attempt in learning and be optimistic.

We are in a New Year so let's try to become more confident and encourage those around us. If we take this decision, then our **MALAKHA** or Guardian angel will help us to fulfill this decision. This year try to follow this prayer:

- 1 Lord protect me and my loved one's from harm
- 2 Give us good health
- 3 Give us peace of mind
- 4 Forgive my sins
- 5 Provide me only the things I need according to Your will
- 6 Give me strength when troubles come my way
- 7 Shower me with love and happiness
- 8 Bless my family with financial miracles

- 9 Give me wisdom to make the right choices or decisions
- 10 Give me courage to avoid bad habits
- 11 Turn my pains into blessings (positive attitude in negative situations)
- 12 Give me courage to spread the good news

Be an optimist not a pessimist, also keep in mind,

First Attempt In Learning...FAIL

Wishing You A Blessed New Year

May God bless you abundantly!

Fr. Saji Pinarkayil
