**Welcome To The New Academic Year Of CCD**

Welcome to you all to the new academic year of CCD in our church. The Confraternity of Christian Doctrine was an association established in 1562 in Rome for the purpose of providing religious education. In its more modern usage, CCD is the religious teaching program of the Catholic Church. These

classes are taught to school age children to learn the basic doctrines of their catholic faith.

The mission of the Religious Education Program of Our Parish is to assist parents in the religious, moral, and spiritual formation of their children. Parents are the primary educators of their children, teaching by word and example. Our parish catechists support the parents and students by providing quality religious education in a nurturing, faith-filled environment. Through the cooperative effort of parents, catechists, and students, our children will grow in their love for God and knowledge of their Catholic faith, develop their God-given gifts and talents, and live as contributing, respectable citizens through their commitment to service as Catholic Christians; along with other acts of kindness projects.

**Sharing Faith**

As parents, you are the primary educators of your children, teaching them by word and example. It is our duty to introduce Jesus the savior, of the world and lead them through His teachings "Catechesis nothing other than the process of transmitting the Gospel, as the Christian community has received it, understands it, celebrates it, lives it, and communicates it in many ways" The General Directory for Catechesis.

Family support and cooperation is essential to the religious formation of your children.

Regular Mass attendance as a family and a genuine interest in your child's progress serve as great sources of support and encouragement

Sharing your own faith, assisting your child in learning required prayers, and discussing class sessions with your child will help to deepen their religious education experience and strengthen your church/family relationship.

**Discipline**

I once again welcome you all for the new academic year of our CCD class. We the teachers, parents and the students co-operate each other and work together for our faith formation. We are planning to have different programs in CCD. I request to you all for your kind cooperation and hard work for the success of it. May our God bless you all, through this faith journey.

May God Bless you all  
Fr. Suni Padinjarekkara
