 - The Solemn reception of Holy Communion shall be only for the fourth graders.
 - If any fifth grader or above has not received this, that child can be included this year.
 - However, all fourth graders shall receive this year.
 - No exception to include third graders with their siblings. It is difficult to give age-appropriate training for students of different grades together like fifth and third graders. Exceptions are given for urgent cases only.
 - The date of solemn reception of Holy Communion is May 4.
