VICAR'S MESSAGE

SELECTION AND REWARD AT THE SECOND COMING OF CHRIST

Dear Parish Family,

As we reflect on the Second Coming of Christ, we are reminded of the profound truth that God has been selecting His faithful people from the beginning of time until the present. Throughout Biblical history, we see how the righteous receive rewards from God - not only in this world but even more so in the world to come.

The Second Coming of Christ is a moment we all look forward to, though it can occur at an unexpected time. For the faithful, it is not a moment of fear, but one of hope and fulfillment. However, for those who persist in sin, it can be a time of dread. But God, in His infinite mercy, continues to give each of us the opportunity to renew our lives in accordance with the teachings of Jesus. No matter our past mistakes, His grace is always available. Yet, we must not delay our conversion, for we do not know what tomorrow holds.

Jesus calls us to take the narrow path - one of discipline, humility, and love. As Christians, we are asked to renounce unnecessary worldly ambitions and instead dedicate ourselves to working for the Kingdom of God through the responsibilities entrusted to us. Whether in our families, workplaces, parishes, or communities, we are given the chance to glorify God through service to others.

Similar to the season of Advent, the anticipation of Jesus coming back in glory to judge us is a source of hope for all of us. Let us find joy in preparing our hearts for His ultimate return. May we work closely with the Church and glorify God through our service to others.

May the Lord bless you and guide you on this journey of faith, hope, and love.
