VICAR'S MESSAGE

THE JOY OF GIVING – BUILDING A CHURCH, BUILDING A COMMUNITY

Dear Brothers and Sisters in Christ,

The Gospel teaches us that “It is more blessed to give than to receive” (Acts 20:35). While receiving brings momentary happiness, true and lasting joy comes from giving. Giving is an act of love, an expression of gratitude, and a means of bringing God’s blessings to others. I have personally experienced this joy by contributing to construct seven churches in the Diocese of Miao. My recent one is the construction of a Catholic Church in Nginu in that diocese that bishop gave me the privilege to bless on February 5, 2025. This small act of charity has not only helped build houses for God but has also transformed the lives of the people in that region.

Even a small contribution towards such initiatives can make a significant difference:

- It motivates the local community to build more churches, strengthening their faith and unity.
- It supports the Diocese of Miao in expanding its pastoral services, reaching more people with the Good News.
- It develops the locality, leading to the establishment of schools, convents, a priest’s residence, and even government offices, benefiting the entire region.
- I have personally witnessed tremendous growth in the people—spiritually, culturally, economically, and socially—all because of the Church's presence.

As we celebrate this Jubilee Year, let us embrace the call to be partners in God's mission. You, too, can make a difference! I invite you to sponsor a church by contributing \$20,000 or becoming a part of this mission by donating at the charity box placed in our church near the statue of our Blessed Mother. Together, we can sponsor a St. Mary’s Church in the Diocese of Miao.

If I can do it, we all can do it. Let us build the Church, and through it, build a better world.

May God bless your generosity!

In Christ’s Love,
Fr. Abraham Mutholath
Pastor
